

2018 FFA Technology & Innovation Grants

Central and Northwest Oklahoma

Devon Energy and the Oklahoma FFA Foundation are partnering to offer a new grant opportunity. Applicants in Central and Northwest Oklahoma can request up to \$5,000 for equipment like hydroponic systems, incubators, drones, ultrasound machines and more! What innovative projects can your chapter develop?

Grant Awards:

A total of \$13,500 will be awarded among Central and Northwest Oklahoma chapters.

\$5,000 - 1 Recipient

\$2,500 - 2 Recipients

\$1,000 - 3 Recipients

\$500 - 1 Recipient

Application Information:

Grants will be awarded based on **creativity**, **sustainability** and the **needs of the chapter**.

Priority will be given to applications allowing for equipment to be shared between programs at various times of the year.

Applications Open: June 1 - July 13, 2018

Applications are available online at okffa.org. [Click here](#) to apply.

Application Deadline: July 13, 2018 by 5 p.m.

Please submit via email to hollyblakey@okffa.org.

Funding Provided: August 1, 2018

Chapters receiving grants will be publicly recognized at COLT conferences in September.
