

Tractor Supply Great Neighbor Essay Contest

Tractor Supply is promoting their Great Neighbor Essay contest again in conjunction with their mobile fair tour. The essay contest asks FFA and 4-H members to choose one memorable FFA or 4-H experience and explain how that experience has influenced the members' development as a great neighbor. Five essay winners are recognized at each of the 24 tour stops. Winners are presented with a plaque and a TSC gift pack of great stuff. Here is a link to the page. www.tractorsupply.com/fairtour
