

Oklahoma FFA Chapter Grants

2 0 1 9

TC Energy and the Oklahoma FFA Foundation are partnering to offer a new grant opportunity. Applicants in Oklahoma can request up to \$5,000 for equipment like hydroponic systems, incubators, drones, ultrasound machines and more!

What innovative projects can your chapter develop?

Grant Awards:

A total of \$26,000 will be awarded to Oklahoma FFA chapters

Application Information:

Grants will be awarded for projects that fit one of these four categories: **Safety Equipment or Education, Community Impact, Environmental Impact or Leadership Development.**

Appropriate projects would request an approximately budget of \$1,000 - \$5,000.

Priority will be given to applications allowing for equipment to be shared between programs.

Applications Open: June 1 - July 12, 2019

Applications are available online at okffa.org

Application Deadline: July 12, 2019 by 5 p.m.

Funding Provided: August 2019

Chapters receiving grants will be publicly recognized at COLT conferences.

**This grant opportunity is made possible from TC Energy
through the Oklahoma FFA Foundation**
