Tour Dates – January 22-23-24-29-31

The 8 state FFA officers will divide into two teams of four each. They will visit local FFA chapters from early morning until late evening. Each stop is scheduled for 1 hour to 1½ hours in length. The officers will have a 15-20 minute standard program they will present at each stop on the Tour. The remainder of the time can be used for special program requests, question and answer, tours, meal functions, photographs, recreational activities, etc.

Deadline to Sign-Up – December 1, 2018

If your chapter would like to be considered for the 2018 Tour, the local chapter advisor should send an email to Kathie Short at the state FFA office at kathie.short@careertech.ok.gov, or by calling Kathie at 405-743-5498. Just ask Kathie to put your chapter's name on the 2018 Goodwill Tour list. That's it!

Chapters Notified of Specific Visit Date – December 15, 2018

Following the December 1 sign-up deadline, the state staff will get out the Oklahoma map and put the travel schedule together for the two groups of state officers. Unfortunately, it will not be possible to visit every chapter on the list. However, first priority will be given to chapters that were not visited on the 2017 Tour. A letter and detailed schedule will be sent to each chapter selected for the Tour. The Tour schedule will also be posted on the OKFFA website.

State Officer Telephone Calls to Chapter Advisors – January 10, 2019

A state officer will call the local chapter advisor of each chapter selected for the Tour. This will be the advisor's opportunity to specifically communicate to the state officers what the expectations are for the visit. For example: Who and how many students will attend? Will there be school administrators, press, and special guests in attendance? Are there specific content areas you want covered? Will members have prepared questions?

Don't pass up this opportunity for a face-to-face, close encounter, with the best youth leaders our Association has to offer!!!
