AWARD INFORMATION

\$9,000 total will be awarded. The objective of the BCBSOK grant program is to support FFA chapter activities that promote health and wellness of Oklahomans. Grants are available to chapters in communities with a population of less than 50,000 people and located more than 15 miles from an urban city (population 50k+).

CHAPTER PROJECTS

Suggestive preventative measures to consider featuring in your chapter's project include: managing stress and anxiety, dental health, exercise, mental health, nutritional health, etc. Projects can vary in style and size, such as a community walk or run, inviting a dental professional for an activity, or partnering with the local farmers market for a nutritional program.

APPLICATION INFORMATION

Priority will be given to projects that include more than one FFA chapter. Grants will be awarded up to \$1,000 each. Apply online at okffa.org.
