GENERAL *Information*

INFORMATION ▶ If you need assistance inside the Convention, have your questions answered at the registration desks near the east main entrance of BOK Arena. Your key contact at the registration desk is Kathie Short, cell 405-880-5413.

PHOTOGRAPHER ▶ Final Drive Photography will serve as the official convention photographers. Contact Final Drive Photography, P.O. Box 1262, Kingfisher, OK 73750. Kari Cooper, kari@finaldrivephotography.com, 405-227-3373.

HEADQUARTERS HOTEL ▶ State staff, officers and special guests will stay at the DoubleTree by Hilton, 616 W. Seventh St., 918-587-8000, in downtown Tulsa.

MEDIA ROOM ▶ The Media Room is on the first floor, northwest hallway, of BOK Arena. Your key contact in the Media Room is Dr. Shelly Legg, cell 405-614-0302. All convention media releases and photos will be shared with local ag instructors and will be available on **okffa.org** following convention proceedings.

LOST AND FOUND ▶ Lost articles should be reported and found items delivered to the registration desk near the main entrance, first floor, southeast corner of BOK Arena. Your key contact for Lost and Found is Kathie Short, cell 405-880-5413.

DRESS AND CONDUCT ▶ People form their first impression of you and your chapter on your conduct, the way you look and dress, and the pride you show with your overall appearance. Proper conduct, together with good grooming and wearing the official FFA jacket properly, will also help build the image of agricultural education and the FFA. Hats and caps are discouraged anywhere inside the facility and are not allowed in the arena or convention center.

OFFICIAL DRESS ▶ Official dress is required to be worn by all State FFA Degree recipients, official delegates, proficiency winners, interscholastic winners and other award winners. If these members are not in official dress, they will not be allowed on the convention floor (delegates) or stage (award winners). *We strongly recommend that all current FFA members wear official dress throughout the convention.*

MULTIMEDIA POLICY ▶ The Oklahoma FFA Association staff and designees take photos, video or other recordings of participants at the state FFA convention. Please be aware that these photos and videos are for Oklahoma FFA Association use in future brochures, signs, podcasts, promotional videos and ads, or on our website. Your attendance at the state FFA convention implies your consent to be photographed, videotaped and recorded for these purposes.

FOR YOUR *Safety*

POLICE OFFICERS ▶ Two Tulsa Police officers are hired by FFA to patrol the venue spaces throughout the two-day convention. The convention center also provides full-time security guards in the facility. Please inform the officers or security guards should you encounter a serious problem or need to report suspicious activity.

FIRST AID ▶ In case of illness or accident, FFA members should contact their advisers and go to the First Aid Station, ground level, outside of Section 114 of BOK Arena. If an on-site EMT needs to come to the patient, call 918-894-4390. In case of an emergency, dial 911.

EMERGENCY NUMBERS ▶ FFA members should know how to contact their chapter adviser using approved communication methods. Other phone numbers that may be used in case of an emergency are:

- ▶ Trevor Lucas, state FFA executive secretary: 580-467-8594
- ▶ Scott Nemecek, state FFA adviser: 918-640-3315
- ▶ BOK Security Center: 918-894-4390

SAFETY REMINDERS ▶ For your safety in Tulsa, we encourage you to:

- ▶ Stay in groups when moving about the city and convention center event spaces.
- ▶ Avoid poorly lit areas, alleys and parking lots.
- ▶ Do not leave valuables in vehicles.
- ▶ Leave weapons, including guns and knives, at home.
- ▶ Do not leave your hotel room door open for any reason.
- ▶ Don't answer the door in a hotel room without verifying who it is. If a person claims to be an employee, call the front desk and ask if someone from their staff is supposed to have access to your room and for what purpose.
- ▶ Close the door securely whenever you are in your room, and use all of the locking devices provided.
- ▶ Don't invite strangers in your room.
- ▶ When returning to your hotel late in the evening, use the main entrance of the hotel. Be observant and look around before entering parking lots.
- ▶ If you see any suspicious activity, please report your observations to the management.
- ▶ Don't needlessly display guest room keys in public or carelessly leave them at the swimming pool or other places where they can be easily stolen.
- ▶ Check to see that any sliding glass doors or windows and any connecting room doors are locked.

Innovative Impact: Memorable Methods for Students to Level Up Their Leadership

Blake Fly ▶ Tuesday 1:15PM

Blake Fly uses live music, clean humor and nonpolitical examples to invite students to make a positive impact, in some of the most simple and actionable ways. Students will be inspired by the stories, entertained by the dynamic way Blake connects with audiences and equipped with actionable steps to level up their leadership.

How They Did It: Lessons from Oklahoma FFA Star Winners

**Callen Veit and Hunter Brashears
Tuesday 2:15PM**

Ever wonder what it takes to earn the title of Oklahoma FFA Star? Join the 2025 State Star in Agriscience, Callen Veit, and the 2025 State Star in Agricultural Business, Hunter Brashers, as they share their journeys to success. Learn firsthand how they developed their award-winning projects, balanced leadership and SAE involvement, and prepared for the rigorous selection process. Whether you're just getting started or already working toward your own Star award, this session will give you practical advice and inspiration to help you reach the top.

Peach State Perspective: Georgia State FFA Officer Workshop

**State Vice President Evan Hardeman
Tuesday 4:00PM**

We are pleased to welcome Georgia State FFA Officer Evan Hardeman for a leadership workshop with our members. Georgia FFA serves more than 80,000 FFA members, and the strong friendship between Georgia FFA and Oklahoma FFA makes this opportunity especially meaningful.

LEADERSHIP WORKSHOPS

Lead With Your Voice

Caleb Ames and Kayla Poling
Wednesday 10:30AM

In this interactive leadership workshop, FFA members will discover their unique leadership voice, build confidence to speak up, and learn how leadership shows up through courage, service, and authenticity. Through engaging activities, reflection, and movement, members will leave with greater self-belief, a clearer understanding of their strengths, and one bold action they are committed to taking within the next week. This workshop empowers students to see themselves as leaders today.

Who Told You That?

Ketric Newell
Wednesday 1:00PM

In this workshop, Ketric will teach students how break free from the lies that shape them and help them replace the limiting beliefs with truth and step into their full potential.

Empower!

Trey Myers, National FFA President
Wednesday 4:00PM

Leadership is about more than holding a title; it is about empowering others to succeed. In this workshop, Trey Myers, National FFA President and one of our own from Oklahoma, will challenge FFA members to step confidently into leadership, use their voice with purpose, and serve with intention. Currently serving more than one million FFA members nationwide, Trey will share insights on leading with humility, responsibility, and impact in an ever-changing world.

Oklahoma State Teach Ag Results
(STAR) Committee
Tuesday 1:30PM

Your FFA experience doesn't have to end after graduation. Step into a career where you can continue leading, teaching and making a difference. Join this workshop to explore the world of agricultural education, where every day brings new opportunities to motivate students, strengthen communities and advance agriculture. Learn how you can turn your FFA passion into a meaningful profession.

Built to Work: Technician Careers Powering Oklahoma's Industries

Warren Cat ▶ Tuesday 2:30PM

Skilled CAT technicians keep Oklahoma's agriculture, construction, energy, mining and electric power industries running — from powering well sites and building highways to keeping data centers online. Many technicians start their careers through paid internships and on-the-job training. This workshop explores CAT technician careers that blend hands-on work with advanced technology, highlighting the skills required and training pathways that lead to a rewarding and impactful career.

Judging Livestock in College

Parker Henley ▶ Tuesday 4:00PM

Thinking about continuing your livestock judging journey after graduation? Join Oklahoma State University Livestock Judging Coach Parker Henley for an inside look at what it takes to judge at the collegiate level.

This workshop will explore scholarship opportunities, team travel, practice structure, and how competitive judging can open doors to leadership, career success, and lifelong connections in the agricultural industry. Whether you're a seasoned competitor or just getting started, come learn how to take your judging experience to the next level.

Growing Your Future with KOCH Agronomic Solutions

KOCH Agronomic Solutions ▶ Wednesday 9:45AM

Looking for a career that combines agriculture, science and innovation? Learn how KOCH Agronomic Solutions is transforming plant nutrition and sustainability in modern farming. This workshop will introduce you to diverse career paths in agronomy, product development and agricultural sales while showing how teamwork and technology drive success. Discover how you can grow your own future with a company dedicated to advancing the next generation of agricultural leaders.

Interview Like a Pro!

Oklahoma CareerTech Leadership and Professional Development Division Wednesday 11:00AM

Ready to stand out in your next job interview? This hands-on workshop, led by the Leadership and Professional Development staff at Oklahoma CareerTech, will help you master the skills that make a lasting impression. Learn how to prepare effectively, communicate with confidence, and highlight your strengths through professional examples and body language. The session will also cover how to create strong résumés and cover letters that set you apart. Whether you're applying for a scholarship, internship, or full-time position, discover the tools to present your best self and interview like a pro.

Your Future in Agriculture with AFR

American Farmers and Ranchers Cooperative ▶ Wednesday 1:30PM

Learn how American Farmers and Ranchers Cooperative helps young people build successful futures in agriculture. With roots dating back more than a century, AFR has been a trusted voice for Oklahoma farmers and ranchers and continues to invest in the next generation. This session highlights AFR youth programs including leadership summits, speech contests, scholarships, and internships, all designed to help young agriculturalists grow their skills, confidence, and purpose for a successful future in agriculture.

So, You Want to Be a Cowboy?

Oklahoma State University Agriculture Ambassador Team ▶ Wednesday 3:00PM

Ready to see what life as an OSU Cowboy could look like? Join us for an inside look at the Ferguson College of Agriculture and the exciting opportunities available at Oklahoma State University. You'll meet current OSU students who will share real-world experiences, insider advice, and everything they wish they had known before college. Come curious and bring your questions. Our Ferguson College ambassadors can't wait to help you pave your path to becoming a Cowboy.

SAYING *Thank You*

FFA members:

Please don't forget to write those thank you letters or notes to your sponsors. Your follow-up is vitally important to their continued support of FFA.

You will find the address of every State FFA Convention sponsor at www.okffa.org. Go to ***Participate/State Convention*** and click on ***2026 Thank You List***.

If you can't find an address, please give us a call at the state FFA office, 405-743-5498. We'll be glad to get it for you.

Congratulations on your success, and thanks for doing your part to see that future FFA members have the same or even greater opportunities.

GROW

THE MESSAGE OF SAFETY

Whether you are planting or moving equipment, be sure overhead power lines are not in your path.

Stay at least 10 feet away.

Look up and live.

Lead The Way

Based on 1977-2025 CY industry-reported sales.

In the country, the right tools can empower you to do more. For generations, Ford F-Series trucks have been one of them. Because when the next generation is empowered to step up, there's no telling how far they'll go.
