**Amy Downs****Live Like You Mean It**

What do you do when everything you have built is taken from you in a single moment? Amy Downs does not just speak about resilience she lives it. A survivor of the Oklahoma City bombing, Amy turned unimaginable tragedy into a lifetime of purpose and leadership. In 1995, that event shook our state and led to the postponement of the Oklahoma State FFA Convention, one of only two times in 100 years the convention was not held as scheduled.

As Oklahoma FFA celebrates its 100th State Convention, Amy's message challenges members to live with intention, lead with courage, and make every day count.
