

**2026 National FFA Convention
Oklahoma Suite LS37B, Lucas Oil**

**Sponsored by
OK Steel & Wire**

All Oklahoma FFA members, advisors, and guests attending the National FFA Convention are invited and encouraged to stop by Oklahoma Suite LS37B in Lucas Oil Stadium on Thursday, Friday, and Saturday during the General Sessions. We recommend using the elevators to Level 3 (Lower Suites).

The state FFA officer team will be at the suite before and after each session. While seating in the suite is limited, it's a great spot to hang out for a few minutes. Come by and see us!

If arena staff ask for a lanyard, please contact a state FFA officer or state staff member, and we will get you one!
